**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

we live in a rural area and support broadband competitive competition, competitive deployment, and sonic.net which is our phone and internet service. we switched to this from a slower and more expensive company that had an antenna on our roof, and we prefer sonic and the ability to choose providers.
